## Description

A good looking set of six Chippendale style chairs taken in part exchange. These chairs came from a local house and are in an overall good condition. A few scuffs from use over the years, but all do, unless having had restoration before being delivered or taken to their new home. They are available at a highly competitive price of only £345 for the set. They have a mahogany finish, a support stretcher between the back legs for additional support and tidy condition upholstery. We can arrange reupholstery if required at about £30 per seat plus vat and the fabric of your choice. They are however most useable as they are, as stated already. Overall height on the back is 97cms, the sizes below are on the seat.
