Description

Antique 1884 English silver pocket watch Jolly Mansfield. The watch has an English key-wound movement signed Jolly Mansfield, which is working nicely. A vintage winding key is included. The movement is protected by an inner fitted cover. The watch itself measures 52.8mm diameter excluding the stem and the loop. The case is silver and there are hallmarks inside the case backs for London 1884 together with a case maker's mark C.H (Charles Harris, Norfolk Street, Coventry). The case has light surface marking from use and a mild bruise to the back although hardly noticeable but overall it is in nice condition for an 1880s piece. The glass lens has a couple of tiny nibbles to the outer edge although hardly noticeable but overall it is in nice condition. The enamel dial is in nice condition. The watch has its original gold hands and blued steel sub seconds hand. The watch will be sent in a new presentation box.
