Description

Fabulous c18th French louis xv style painted commode chest of drawers with polished oak top. This is a very good original period oak commode and the paint finish gives it a very different look to the traditional dark oak, so it will fit a more contemporary home as well as traditional. Three full width drawers for storage and all running well. The photos show a green striped drawer lining which I have now removed. Well carved throughout and the sides are also panelled. Shaped oak top and in great condition. Measuring: 34 1/4" or 87cm high 48 3/4" or 124cm wide 23 3/4" or 60cm deep Delivery to most England, Wales and Scotland addresses at £55 +vat, but please send me your postcode if you are a bit remote or coastal as it could be more...or you are very welcome to collect from me in Uppingham, Rutland
