Description

Useful pair of decorative mid C19th giltwood corbel display brackets of classical design. Smart pair of reeded scroll-form corbels each fitted with a stepped rectangular platform display shelf. The sides carved with classically inspired flower-head and honeysuckle details. The gilding in good condition with minor chips to extremities but having good period style patination and finish. The top surface of the platform without gilding. Good pair of wall-mounting display brackets of simple, yet sophisticated form, to display a pair of objects. H 10" W 7" D 4" England c. 1850
