Description

Lovely small size Georgian mahogany chest of four long drawers and an inlaid top. Great size to slip into an alcove and with the inlaid top, it is quite a decorative chest with its original brass handles and rich mahogany tone. The chest has softwood sides which is not unusual, so the focus is on the front and the top itself, hence why this size lends itself so well to tuck into alcoves etc. The condition is good to the chest with all four drawers running well and they are paper lined. Measuring: 32" or 81cm high 35 1/2" or 90cm wide at the bracket feet 18 1/2" or 47cm deep Delivery to most England, Wales and Scotland addresses at £55 +vat, but please send me your postcode if you are a bit remote or coastal as it could be more...or you are very welcome to collect from me in Uppingham, Rutland
