Description

Attractive Victorian rosewood stool. A lovely antique rosewood stool. We date this stool to the second half of the 19th century. The stool sits on four well carved cabriole legs. It has been upholstered in a cream floral patterned material. The stool has a height of 16" (41cm) with a width of 23" (59cm) and a depth of 19" (48cm). This stool remains in a good solid condition with only very minor surface markings commensurate with age and usage. There is a small amount of wear to the material from past use where it has frayed slightly and one of the legs has an old repair at the foot. This remains a very stylish and elegant stool. It will continue to provide good service for many years to come. ----- DELIVERY COSTS COLLECTION IN PERSON - FREE LOCAL AREA, SCOTLAND - PLEASE ENQUIRE ENGLAND & WALES - £50
