Description

This oval brass bound planter or wine cooler is in tidy condition and still with the metal liner. Original useage could have been for either we would guess. The oak is clean and tidy as is the brass banding and it sits on an attractive splay leg. Quite a good size really and not heavy looking as some can be. Age wise it could be any time from around 1880 to 1920. give us a call if your would like to discuss. 01565 874075
