Description

Gents 1960s Royce chronograph wrist watch. The watch has a 17-jewel hand-winding movement, calibre Landeron 248, which is working nicely. The watch measures 37mm diameter excluding the winding crown, buttons and lugs. The case is rose gold plated, it has the odd minor mark and a little patch of wear behind the winding crown, but overall the condition is good. The screw-on case back has the Royce logo. The winding crown has the R Royce logo. Royce was the brand name for watches manufactured and exported by the Eska Watch Company, founded in 1918 by Silvan Kocher in Grenchen, Switzerland. The lens is in good condition. The dial is signed and has the applied Royce logo. The dial is in its original finish and is in good condition, just a little light marking. A new leather strap has been fitted. The watch will be sent in a new presentation box.
