Description

Very stylish pale green glass clock in a chrome frame. On picking this clock up one can't ignore the weight it seems unusually heavy. The quality is undeniable. The two thick panes of green glass sit either side on a brush copper central dial with fretted out Arabic numerals. Solid brass feet. Marked on the back 8 days 6 Rubis, we've had this clock fully serviced and so comes to you in good working order. The clock itself is in good vintage condition and without damage.
