Description

A fine example of a large solid Sterling Silver sugar caster. It is a stylish good quality piece with a bulbous design, weighing approximately 185g. It is clearly hallmarked for Adie Brothers Ltd, Birmingham, 1922. The outer hallmark is slightly rubbed but the one inside the top is very clear. It is in good condition for its age. There are no major damages and it displays beautifully. There are some faint surface marks and a few light scratches and some dinks and small dents around the base and edges but nothing detrimental. It has been gently cleaned and polished is ready for use. The best description comes from the photos so please look at them all carefully and if you have any questions please ask. UK Delivery £5.
