Description

A fine example of a small solid silver bowl. It has a flared rim and round foot and is stylish and good quality, weighing approximately 62g. It is clearly hallmarked for Mappin & Webb, Sheffield, 1927 and also stamped again for Mappin & Webb under the foot. It is in excellent condition for its age. There are no major damages and it displays beautifully. There are some faint surface marks and minor dinks and a few surface scratches but nothing detrimental. It has been gently cleaned and polished and displays beautifully. The best description comes from the photos so please look at them all carefully and if you have any questions please ask.
