ANTIQUE SHIPS CLOCK

Price

Sold**Item Reference: SA64502****Date of manufacture: 1900**

Description

A U.S. Navy ships clock by E. Howard & Co., Boston USA. A brass surround fixed to a later magogany backboard. A silvered engraved dial with seconds dial and fine timekeeping adjustment via a small aperture between numerals 4 and 5. A high quality 8-day duration mechanism. E. Howard & Co. Boston were famous for high grade regulators, watches and marine clocks. They are noted as perhaps the finest marine clock makers ever made in America. They supplied clocks to the U.S. Navy and this example dates to circa 1900. Width (of bezel) 8" / 20cms
