Description

Really lovely quality French late c19th gilt mirror with torch and quivers surrounded by a floral garland. Great proportions to the mirror, working well as an overmantle mirror, but also will free hang as a hall mirror or above a console table. Good detail throughout the frame and the original gilding is in really nice condition, gently faded in some areas, but of a very good quality. The original bevelled glass is also in good condition with very minor signs of age, nothing of any concern. Measuring: 60" or 152.5cm high 35" or 89cm wide Delivery to most England, Wales and Scotland addresses at £55 +vat, but please send me your postcode if you are a bit remote or coastal as it could be more...or you are very welcome to collect from me in Uppingham, Rutland
