## Description

Early 18th century oak single drawer side table. Nice turned legs united by scratch moulded stretchers to the base. The single drawer is oak lined with old replacement brass handle. The three piece top has a nice thumb moulding around the edge. The table is in good condition for its age but I think the back, base stretcher is an old replacement. The table is a gorgeous colour with rich original patination and waxed finish. SIZE; 32" wide by 20" deep by 27 1/2" high CIRCA; 1710 - 1730
