Description

This is a very fine and exquisite example of a ladies wristwatch made by the world renowned premier Swiss maker Girard Perregaux. It has a solid platinum case surrounded by diamonds and then more diamonds to leaf design shoulders. As you would expect from Girard Perregaux the diamonds are bright, crisp and evenly matched. The brand new snake design bracelet is of stainless steel as this is the most robust and it just simply glides around the wrist. It has approximately 2cts of diamonds. It fits a maximum wrist size of 7 inches or 180mm. The case measures 23mm in diameter excluding the winding crown so is quite large. It is quite stunning with a white dial which is in perfect unmarked condition having been fully restored and it has gilt hands and numerals to give it that extra lift. A new glass has been fitted and the watch professionally cleaned and polished so it is absolutely pristine. The 17 jewel movement is an absolute gem, sparkling clean and in like new condition, this is a movement from the golden age of Swiss watchmaking. As you would expect from Girard Perregaux the watch is fully marked on the dial and movement. It comes complete with a new presentat...
