Description

This antique carved oak sofa still has the original leather upholstery, which is beautifully worn in & shows loads of character. The leather is still in good condition, with no tears or holes & we haven't even had the leather polished. This sofa sits on casters & its a very comfortable three seater. The fronts of the arms & the bottom piece are solid oak & very deeply hand carved. I would date this sofa to around the 1930's period. It has a lovely original colour & is very comfortable. Width – 62 inches, 157 cm Depth – 39 inches, 100 cm Height – 31 inches, 78 cm
