Description

An elegant early 20thC solid brass lamp with the original weight in the base and four lovely bun feet. It measures 43cm in total; 39cm up to the bottom of the lamp holder and the base is 15.5cm square including the little bun feet. The lamp weighs 1.6kgs and has been rewired to UK specifications. It has been lightly polished but not lacquered, and there is a maker's mark on the base but we have been unable to identify the manufacturer. Postage and packing is included in the price for the UK mainland only and for remote parts or abroad please contact us for a delivery quote.
