Description

Are you looking for a special carpet for your drawing room or dining room? Please take a look at this beautiful Persian carpet, circa 1880, from the Kirman region. Note the aquamarine field which is decorated with jewel-like ornaments arranged in a formal repeat design. This is a classy carpet with lovely features. If you want it to go under a dining table, not the beautiful palmettes in the main border and the deep scarlet colouring. Despite its elegance, it has a 'lived-in' texture and an evenly worn wool pile. Professionally cleaned and ready for immediate use.
