Depth = 11 cm (4.3")

Description

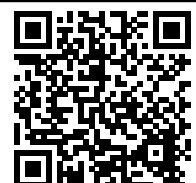

Early 19th Century Beaten Copper Cooking Pot, Cauldron This is a lovely early Cooking Pot, it is made in beaten copper, slightly flaring out at the bottom, to catch the maximum heat from the fire. The pot has a decorated rolled top and the Iron handle swings through 180 degrees. It is very sound with the usual expected dings and dents. The Cauldron is 8" high and 11" in diameter. HF126. Only items dated up to 1920 can be found on Selling Antiques, to see all of our stock including Mid Century and Art Deco post 1920 please view our web site. We Give Free Delivery to Mainland England & Wales, Delivery times vary according to your location usually 7 to 28 days. We only operate an online store and regrettably viewing in person is not an option. In the event you wish to return an item you should contact us immediately. We will then arrange for you to return it to us at the buyer's expense, the item must be returned back with us in the same condition as it left and a full refund will be issued. Please note that items collected by parties other than our own appointed courier will not qualify for our returns policy. For world wide shipping we offer help and assistance to your...
