Description

This is a wonderful example of a gents watch made by the premier Swiss maker Longines. The calibre 370 17 jewel manual wind movement has been totally overhauled and fully serviced and is just superb. The serial number on the movement dates this precisely to 1959. The case is of solid 18ct rose gold and is classed as an oversize measuring 29mm square. The dial has been fully restored and is in mint condition. A new glass has been fitted. It comes complete with a new premium quality black leather strap. It has been professionally serviced and overhauled, the process is highly detailed and meticulous. It is stripped down to its component parts and each part is examined under a microscope for signs of wear, any worn parts are replaced with genuine manufacturers parts. Each part is then thoroughly cleaned in a three stage ultrasonic cleaning process. The movement is then fully assembled using manufacturers approved oils and lubricants and is carried out in a clean room environment. The movement is then checked and adjusted for accurate time keeping. The cases are polished and sealed. Obviously, this is not a cheap or quick process which is why our watches are somet...
