Description

This antique Queen Anne style server table dates from the 1930's period & is in good condition, with a lovely colour. All the top section is burr walnut & it has a serpentine shaped front. There are plenty of intricate carvings all around & on top of the top section, plus more carvings along the bottom of the drawers & on the tops of the solid walnut legs. There are two drawers, with locks & brass handles. The insides of these drawers have baize lined divisions which look original. This must have been meant for cutlery. The baize isn't perfect, so you might want to strip it out. Width - 44 inches, 112 cm Depth - 20 inches, 51 cm Height - 37 inches, 94 cm
