Description

Lovely original Georgian mahogany tilt top table with a single piece top and pedestal base. The table is in nice original and honest condition. Structurally it is good and solid, but I have not over restored the top itself, so have left some of the character and age marks as you can see, although it has been thoroughly polished. The tilt mechanism has its original brass catch and holds the table top firm. Very easy to tilt it up and the table can become a feature piece for a corner when not in use. Well turned mahogany column and pedestal base. Measuring: 28 3/4" or 73cm high 22 3/4" or 58cm diameter Delivery to most England, Wales and Scotland addresses at £55 +vat, but please send me your postcode if you are a bit remote or coastal as it could be more...or you are very welcome to collect from me in Uppingham, Rutland
