Description

Good decorative painted Georgian chest of drawers in a green aged paint finish. The chest is a good size, giving plenty of storage with its three full width drawers, all of which are oak lined and running well. The drawers are also paper lined too. Original wooden turned drawer knobs and the drawers are also finished with a cockbeading to the edge. As you can see from the photos, the paint finish has been rubbed through and has lots of character and age marks. The chest would work well as a bedroom piece, but also as a decor piece in a living room, giving useful storage too. Measuring: 33 3/4" or 86cm high 42 1/4" or 107.5cm wide 20" or 51cm deep Delivery to most England, Wales and Scotland addresses at £55 +vat, but please send me your postcode if you are a bit remote or coastal as it could be more...or you are very welcome to collect from me in Uppingham, Rutland
