Description

Circa 1880-1910. A stunning pair of good quality candlesticks made by T Thomason & Co, each weighing approximately 4.6kgs. They measure 48cm in height; the bases are 21cm in diameter and the candle cups are 19cm in diameter. They are in good condition with no signs of damage or repair, with an indication they may once have been silver plated. Each candlestick has three little bun feet and on one of the original weighted bases there is the mark T THOMASON & CO. Postage and packing within the UK mainland only is included in the price and for remote parts or abroad please contact us for a delivery quote.
