Description

Ivory ground carpets are difficult to source, especially one as pretty as this. All the colours are light and happy. The design is attractively drawn, blossoms and leaves arranged in an all-over repeat pattern. The border is harmonious, and frames the field perfectly. One can imagine this carpet under a grand dining table, or in an elegant drawing room. Soft velvety wool, even pile and in good condition with a crisp appearance to the design. The original ends and sides are intact. Professionally cleaned recently, and ready for immediate use.
