Description

This finely decorated ANTIQUE SUNDERLAND LUSTRE BOWL dates from circa 1850. Notable for the beautiful, freely-painted anchor at the bowl's centre, the BOWL has six transfer panels, two of The Sailor's Farewell, two of The Mariner's Compass and two with different verses. There is no restoration to the BOWL. There is an old crack to one side which has been repaired, a long time ago and in the old fashioned way, with a single rivet. This has been positioned very carefully so it blends into the background pattern. The BOWL is quite stable. Height: 4 inches (10 cm) Diameter: 8.25 inches (21 cm) Delivery within the UK is included.
