Description

A very refined and stylish white marble mantel clock with gilded brass adornments. An 8 day quality French movement with outside count wheel. The clock strikes on a bell on the half-hour and the hour. It has just been fully serviced by our BHI registered staff and carries our usual 12 mths parts and labour guarantee. A 3.5" white enamelled convex dial with black Arabic numerals and beautifully cut hands. A very smart little clock that is much better in real life than our photographs unfortunately show. All cards accepted.
