Description

Superbly stylish 1930s Art Deco gleaming dark brown leather with a carved cream bakelite panther trim clutch bag. Amazing quality vintage clutch grab bag this one with plenty of room here for everything, with an optional carrying handle at the back and a large carved cream Bakelite panther decorative accent to the front. Fully lined in soft spotless brown rayon, this is in excellent condition and there are several compartments inside including a central built in purse. It closes at the front nice and secure with nice snap by a gilt metal clasp that works perfectly.. Fabulous and unique vintage bag which really don't come up very often. Condition is as good as you could hope for with a bag of this age, free from any stains, rips, odours, loose threads etc or any of those unsightly distracting marks. Wonderfully stylish Art Deco hand bag for the lady who likes that extra individuality. Very simplistic in it's design but that's what gives it's sophistication.
