## Description

Just magnificent! This fabulous and rare bag-face is piled in the most luxuriant wool from the lustrous fleeces of the Kurdish mountain sheep and made circa 1870. The 'mina khani' design in the central field contains white nectar-blossom flowers - but just look at the close-up photos to see the glowing vegetable-dye colours. A great collector's piece. Size: 69cm x 69cm (2' 3" x 2' 3").
