Description

Antique Regency style marble top mahogany Chiffonier in good original condition & dating from around the 1930's period. It's exceptional quality & has some fine details. It has gilt bronze Sphinx mounts (head & feet) on either side of the reeded columns. The doors have brass grill panels with gilt rosettes. There is a bit of marking on the fabric behind the grills, mainly near the bottom, so you may want to change the fabric, however I don't think it's that noticeable. The inside has three adjustable shelves in two compartments & there is a decorative key. This is a very compact cabinet with plenty of storage. Have a look at how the sides has been shaped at the base, so that they will fit close to the wall above the skirting board. Please enlarge all the images to see the quality. Width - 42 inches, 107 cm Depth - 17 inches, 43 cm Height - 36 inches, 91 cm
