Description

Fabulous pair of matching 1930's Art Deco bedside tables in heavily figured walnut veneers. His and hers bedside tables with one cabinet which has fake frontage drawers opening to reveal a generously sized shelved cupboard and the second cabinet is three generously sized drawers. Very unusual not seen this set up before but lovely idea and works very well. The fronts and the plinths of the cabinets have chamfered edges, again adding an unusual design but adds further to the appeal. We've had both cabinets fully and professionally restored and so come to you in excellent condition.
