Description

This is a very fine example of a gents classic wristwatch made by the world renowned premier Swiss maker Omega. The watch is the calibre 711 fully automatic movement, as you can see it is in fabulous condition. The reference number is 165.007 The dial is in mint condition having been fully restored. It has gilt and black hands and baton markers. It also the Omega symbol on the crown and on the clasp of the bracelet. A new glass has been fitted and the case has been professionally polished so it is in superb condition. It has the Seamaster logo on the back of the case which is bright and crisp and a sign that this watch was rarely worn. It has a solid 18ct gold integral Omega weave design bracelet and the whole watch fits a wrist size of up to 8 inches, it has never been shortened but this can easily be reduced to fit any wrist size by a competent jeweller. As you would expect the watch is fully marked on the dial, movement and case and it comes with an Omega box. Omega are one of the most exclusive watchmakers in the world and this watch certainly has that understated elegance that whispers class, this would have been Omega's most expensive model. The watch case ...
