Description

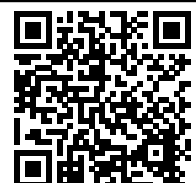

This is a very fine example of a gents classic wristwatch made by the world renowned premier Swiss maker Omega. The watch is the calibre 353 automatic movement and the serial number dates this accurately. The reference number is 2627. An Omega "bumper" is a vintage Omega that has a "bumper" automatic movement rather than a full rotation rotor automatic. The oscillating weight makes a partial rotation before "bumping" into a cushioning spring. The dial has been fully restored so is in perfect condition, it has rose gold batons and hands. This is the very first Seamaster with a date. It measures 35.5mm in diameter excluding the winding crown. It also has the Omega symbol on the original domed winding crown and a genuine Omega buckle. A new glass has been fitted and the case has been professionally polished so it is in superb condition. As you would expect the watch is fully marked on the dial, movement and case. The watch has been fully serviced and is guaranteed to be a genuine Omega in all respects. It has been professionally overhauled, the process is highly detailed and meticulous. It is stripped down to its component parts and each part is examined under a ...
