Description

Fabulous quality late c19th French satinwood and inlaid marble top centre table with these beautiful and very elegant piano pedal lyre style supports. This is a very decorative piece and in excellent condition. Very unusual to find the pedal lyre style supports on a French centre table, beautifully made with the twin columns finished with a gilded ball finial. The table has a triform base and also has three gilded buns below. Inlaid with a fine ebonised band. The marble is in good condition, a lovely rich colour tone. This would make a great centre piece for a hall, but is not too large to use as a sofa table, lamp table etc. Measuring: 32 1/2" or 82.5cm high 28" or 71cm diameter 27 6/8" or 70.5cm from the floor to the underside of that table freize Delivery to most England, Wales and Scotland addresses at £55 +vat, but please send me your postcode if you are a bit remote or coastal as it could be more...or you are very welcome to collect from me in Uppingham, Rutland
