Description

For those gents out there who desire a less than generic looking watch, who aspire for something not only classy but very distinctively Art Deco then this maybe the timepiece for you! A rare opportunity to acquire a perfect condition Art Deco Gents wrist watch which is what we call 'old new stock', that is to say it's of the period dating to the 1930's but has never been sold, marketed or worn, as you can imagine that's pretty rare. We have been lucky enough to have sourced a few of these watches this year, all Art Deco styled and all dating and original to the 1930's. Watches in this condition, from those years are unique and difficult to find. Never worn this timepiece has been kept in a drawer for several dozen years. In August 2019 this watch had a thorough service, fully stripped, cleaned, oiled and timed to within an inch of it's life. Chrome-plated, never worn, slightest, superficial storage marks, very good condition for the age, 33 x 22 mm without lugs. Original, champagne-colored dial with Arabic numerals, finely blued hands, hands and numerals with luminescent mass (this does not seem to be in working order), dial signed BIFORA The glass crystal is unscratched....
