Description

For those gents out there who desire a less than generic looking watch, who aspire for something not only classy but very distinctively Art Deco then this maybe the timepiece for you! This is a very rare opportunity to acquire a perfect condition Art Deco Gents wrist watch which is what we call 'old new stock', that is to say it's of the period dating to the 1930's but has never been sold, marketed or worn, as you can imagine that's quite a rarity. We have been lucky enough to have sourced a few of these watches this year, all Art Deco styled and all dating and original to the 1930's. This is the last remaining of the original find, the offer is now very limited . Watches in this condition, from those years are unique and difficult to find. Never worn this timepiece has been kept in a drawer for several dozen years. In September 2019 we had this watch fully serviced and as such it's in very good working order. The back of the watch is made of stainless steel, free from engravings and the front of watch is chromed. Nice, clean, high-quality movement, mechanical with manual winding, Art Deco, dial designates: Original, copper-colored dial with Arabic numerals, green hands, ...
