Description

Useful small late Georgian oak floor standing corner cupboard c.1810. At 73" tall, a little shorter than many we see. Built in one piece with two sets of double doors opening to reveal a single shelf in both the top and bottom sections (internal depth 16?). Moulded cornice over panelled doors with brass knobs and inlaid ebony diamond escutcheons. Ogee mouldings down the edges of the cupboard and across the bottom. Raised on the original shaped bracket feet at the front. Elm backboards and pine shelves. Very good condition, cleaned and waxed in our workshops. Key supplied. Dimensions: width 39", depth at sides 29", height 73".

Internal Ref: 32929
