Dimensions

Height = 33 cm (13.0")

Width = 23 cm (9.1")

Depth = 23 cm (9.1")

Description

An original Mcfaddin Emeraldite Banker's lamp registered No 8734 and dated 1916, in good condition and with the Mcfaddin label attached and clearly visible - see 2nd photo. The lamp was rewired to UK specifications using quality flex cable, leaving the original lightbulb attachment (on the left hand side). The two wire fittings to hold a Mcfaddin lampshade have also been left intact for the enthusiast, or collectors of McFaddin lamps to source an original glass lampshade. This type of shade can be found online, especially in the USA, or alternatively a good electrician should be able to adapt the fittings to hold a standard glass replacement. The lamp measures 27cm to the bar holding the shade (33 to the lightbulb fitting), and the decorative weighted base is 18cm square. It weighs 3.8kgs and we will clean and polish the base and central column before sending it out. Postage and packing within the UK mainland only is included in the price. For outside areas or abroad please contact us for a delivery quote.

Internal Ref: 1266
