Description

A large Victorian pine chest of 3 long drawers dating from the late 19th Century. Good quality, very well made with a smooth waxed finish and attractive colour. The drawers have turned wooden knobs and are generally clean and tidy inside. There are the usual minor signs of age and use, some small knocks and surface marks and some small signs of historic woodworm around the base but nothing detrimental and they display beautifully. The best description comes from the photos so please look at them all carefully and if you have any questions please ask. Free local delivery within 10 miles of Ashburton. Regular London deliveries for £50. Nationwide delivery available, please get in touch for an accurate quote.
