Description

A fine quality 18th century mantel clock by noted family of clockmakers Lepine. An elegant white marble arched base with feet and finials. A well cast case with bird amongst foliage and a torch. A large convex enamel dial with 5 minute outer markers and well made intricate gilt hands. A convex glass to the rear. An 8-day duration mechanism striking the 1/2 hours and hours on a bell. An outside striking countwheel and engraved 'Lepine' to the lower of the mechanism and enamel dial. The Lepine family of Clockmakers are well documented in Tardy's 'Horologers Francais' book and illustrated in Kjellberg's 'La Pendule Francais' book. They worked from 1710 and examples can be seen in museums and collections around the World. This example dates to circa 1790. From Kembery Antique Clocks Limited you can expect a genuine antique mantle clock that is in full working order and sold with 12 months guarantee.
