Item Reference: SA650491

Date of manufacture: 1900

Dimensions

Height = 6 cm (2.4")

Width = 21 cm (8.3")

Depth = 21 cm (8.3")

Description

This pretty draining plate from around 1900 comes from the Anchor pottery in Longton. S Bridgwood and son were the owners and both top and bottom plates carry the mark from this company. The design is pretty and the top plate has a scroll leg as it sits on the lower one. The colour is very good and the gilt detailing is in place. A lovely display item that is most useful too.
