Description

Large Antique French Rococo Clock. ~ French - Circa 1880 ~ ~~ Excellent condition, fully overhauled & working
 ~~ A large and stunning original antique French brass table clock in lovely condition. The style is Rococo, waisted keyhole shape with acanthus leaf shoulders, 'C' scroll bracket feet and surmounted by a cherub holding a sundial. It stands on its original integral base. The dial is heavy cast brass with a acanthus bezel fitted with convex glass. 24 individual enamel cartouches are mounted for the hours and the minutes. Fretted and blued steel hands are original. Below the dial is a torché and quiver of arrows. To the sides are delicate and elaborate leafy fretted panels backed with red velvet. The rear door also features a stunning fretted panel, backed with red velvet. The design is beautifully bold and heavily moulded in brass, well chased and finished. It is modelled in the round and so would display very well on a table. The French movement is of very high quality and is in excellent clean and running condition having been fully overhauled by our clockmaker. it has the retailer / clockmakers mark 'A C ' inscribed on the backplate. Pendulum is a replacement.
