Description

An absolute gem of a scent bottle box dating to around 1880 from France. The pressed metal (I think brass under the antique patina) dog sits in front of the kennel on a green painted base to resemble grass. The dog's head is pressed down to release the roof of the kennel allowing access to the two hand-blown glass perfume bottles inside. The interior is totally untouched and original with its pale pink silk lining. The bottles are pristine and never used, there is even a sliver of paper around the stoppers from the day they were made. The kennel is made from beautifully rich burl Amboyna wood with its beautiful colour with a wonderful shiny patina. A wonderful canine collectible in excellent condition with minimal wear to base, measuring 8 3/8" x 3 3/4" x 3 1/2" tall. Each bottle measures 1 5/8" x 1 1/4" x 2 1/4" tall. Item ID: 31694 ----- FREE Worldwide Registered Airmail; Insurance Optional.
