Description

An old pine cupboard, dating from c.1910, with a drawer at the top and two panelled cupboard doors below. It is a slim storage piece, so would work well if you are short of space. These particular cupboards, with a top drawer, were known as medicine cupboards. The medicine was kept out of reach, in the top drawer. Inside are three fixed shelves, with a 9.5" gap between each. Nice and clean, having recently been stripped to the bare wood. Ready for waxing or painting. Price in the bare wood £440. Please contact us for a quote for painting. Height 52", width 37", depth 18"
