Description

HENRI JACOT: a good quality late 19th century French CARRIAGE CLOCK timepiece, in full working order. The "Corniche" case retains its original gilding with bevelled glass panels to all four sides, whilst the eight-day movement retains its original platform lever escapement. The enamel dial is perfect; the blued steel hands are original and the backplate is stamped with the iconic Jacot Trademark. 5.5ins (14cms) high, handle down. *** The trademark is interesting; a "jacot" is French for a parrot or "Pretty Polly". Henri Jacot's trademark therefore is a parrot on a stand between the initials "H" and "J".
