Description

A Superb 19th Century burr walnut dentist cabinet from THE DENTAL MANUFACTURING CO. LTD. of London, Manchester & Dublin. The top section having a three quarter moulded gallery with carved shell and turned finials. The lockable cylinder opens to reveal the bevel edged mirror and makers label above the variegated rouge marble. The 10 short and graduated burr walnut drawers above a single wide drawer which houses the unusual locking mechanism (lock this drawer and the 10 other drawers are locked.) and all retaining the original turned knobs. The lower section with a conforming rouge marble top above the baize lined pull out slide with drawer below. The cupboard having two arched burr walnut panelled doors opening to reveal a shelf interior and the stiles having applied square reeded columns with well carved top and bottom corbels. The whole standing on an inverted breakfront plinth with original hidden castors. Very good condition and colour with slight flaw to the lower marble. Transports in 2 pieces and offered here at a great price. Delivery to most of U.K. mainland £85. Dimensions: Height...68.75"/ 175cm. Width...32"/ 81.5cm. Depth...16.5"/ 42cm.
