Description

Victorian walnut revolving desk chair This Victorian walnut revolving desk chair was made circa 1880. As this chair is made of walnut it would have been the higher priced chair of this style when it was first made as oak and mahogany was the cheaper option. It also has the lovely extra of a fully upholstered buttoned red leather seat. We have recovered this chair in a fine quality hide, that is hand dyed and finished in our special antique finish, you would not know the seat was not original, as well as the bonus that as the leather is fresh it will last you a lifetime. The revolving swivel mechanism works smoothly, and this will look fantastic in a home or office setting. You can only imagine the many complimentary and envious comments this will gain. 60cms widest point 23 3/4ins 70cms deepest 27 1/2ins 83cms high 32 3/4ins 48.5cms between arms 19ins 48.5 seat depth 19ins 48.5 seat height 19ins All measurements are approximate This Victorian walnut revolving desk chair is a finite item and a very green product that has not affected the environment we live in.
