

SA652872

Gents Omega Seamaster automatic wrist watch, 1966

Price

Sold**Item Reference: SA652872****Date of manufacture: 1960**

Description

Gents Omega Seamaster automatic wrist watch, 1966. The watch has a calibre 562 automatic movement which is working nicely. The movement is fully signed and the serial number 23,911,190 dates it back to 1966. The watch measures 34.5mm diameter excluding the winding crown and the lugs so a good wearable size. The case is rose gold plated. If you look closely, there is some marking to the bottom right hand lug but overall the condition is good with just minor surface marking. The winding crown has the Omega logo. The lens is in good condition. The signed dial is in very nice condition and it has an early form of quickset date where the hands are moved repeatedly backwards and forwards between 12.10am and 9pm until the desired date is reached. A new leather strap has been fitted. The watch will be sent in a new presentation box.
