Description

Rare and unusual set of 5 antique stone statues, pre 18th century ,c 1700. They are primitively carved and have a great tribal look. I think they are Polynesian/oceanic from the style and clearly have significant age. I have said pre 18th century as it is really difficult to date stone precisely but from the rubbing/wear to the stone they clearly have had several hundred years of handling. Overall condition is good in line with age and use with surface rubbing/wear which has given the stone a great rich colour/patina. Please refer to the detailed photographs and feel free to contact me with any questions or if you would like to view the item. Size: Various : 19 cm tall x 12 cm wide ;10 x 8 ;17 x 6;14 x 7; 15 x 11. I will happily ship worldwide.
