Description

Collection of 2 large cast iron 19th century African currency pieces, including bracelet, c 1890. These pieces are part of a large collection of 21 currency pieces which I purchased from a collector who spent 15 years putting the collection together (I am open to offers for the complete collection). They are most probably from the Congo and are nicely cast and decorated. Overall condition is good with great rusty patina. Please refer to the detailed photographs and feel free to contact me with any questions or if you would like to view the item. Size: Bracelet 8 cm long x 6 cm wide; 57cm x 13 cm. I will happily ship worldwide.
